Uniform Policy

Introduction

It is our school policy that all children in Reception to Form 6 wear school uniform when attending school, or when participating in school-organised events outside normal school hours. We ask children to wear their shirts tucked into their skirts or trousers and to take pride in their personal appearance. A complete list of the items needed for school uniform including those for Physical Education, is printed below.

Aims and objectives

Our policy on school uniform for Nursery to Form 6 is based on the belief that school uniform:

- promotes a sense of pride in our school;
- engenders a sense of community and belonging towards the school;
- identifies the children with the school;
- supports our commitment to inclusion, making children feel equal to their peers in terms of appearance;
- prevents children from wearing 'fashion clothes' that could be distracting in class;
- is smart and designed with health and safety in mind;

Nursery Uniform

To coincide with our extended, year round provision, we have introduced our new nursery uniform, which is compulsory. The uniform is designed to be comfortable and suitable for both indoor and outdoor learning, including Forest School, making it practical for the children's active daily routines. Additionally, when children are off-site for trips or activities, their uniform will make them easily identifiable, providing reassurance to both staff and parents, and helping the community recognise where the children are from.

The nursery uniform will consist of the following:

- **A Norfolk House sweatshirt**
- **A Norfolk House polo shirt**
- **Jogging bottoms**
- **A Norfolk House puddle suit** for outdoor activities, when necessary

This uniform can also be worn into Reception for their PE lessons, therefore extending its useful longevity.

Additionally, each child will receive a complimentary Norfolk House backpack, which is smaller than the standard school backpack. This bag will be more practical for their needs, and they can keep it until they leave Form 1, as it remains a suitable size for this age group.

The uniform is available for purchase from Uniform 4 Kids, and can be found on their website.

Reception to Form 6 Uniform

Winter/Summer Uniform

Winter uniform should be worn between October half term and February half term

Between September and October half term and February half term and Easter, children may choose to wear either Summer or Winter uniforms.

Summer uniforms should be worn during the summer term (after Easter).

Waterproof Coats

Children should all have a navy blue waterproof coat in school at all times, in particular on days where they are going to sport or attending a school outing. It is not mandatory to have a Norfolk House branded coat, though this is encouraged.

Jewellery and Nail Varnish

For health and safety reasons we do not allow children to wear jewellery. The exceptions to this rule are stud earrings in pierced ears, and small objects of religious significance, where agreed. Watches are permitted, however, children are required to remove any items during PE lessons to prevent them from causing injury. Smart watches that can take photographs, send messages or make calls are not permitted. Please note: Teachers are not permitted to remove earrings. All watches and jewellery are the children's responsibility. Make up and nail varnish should not be worn to school unless for a particular function, for example a school disco, school performance.

Hair

Hair bands, ribbons/bows or 'scrunchies' should be plain and in school colours; either orange, blue, white or black. Hair bands should not have large flowers/bows attached. For health and safety and hygiene reasons, long hair should be tied back. Extreme hairstyles and coloured braids are not appropriate for school. The use of styling products should be kept to a minimum and children should not have decorative patterns cut into their hair or have hair coloured or dyed.

Footwear

For health and safety reasons we do not allow children to wear shoes with platform soles or high heels. All children are required to wear plain black smart shoes with their school uniform or trainers for PE. Socks should be in accordance with the colours set out on the uniform list below.

Blazers

Children should arrive and leave School in their blazer, when not in their sports kit. At times it may be necessary to wear it under their coat.

The Role of Parents

We believe that one of the responsibilities of parents is to ensure that their child has the correct uniform and PE kit, and that it is clean, in good repair and that the child's name is written on all items. If a parent has difficulties for any reason with fulfilling this request they should speak to a senior member of staff to discuss the issues. Parents should be assured that we will do all we can to help. Should children repeatedly arrive at school in the incorrect uniform, parents will be contacted to discuss the matter. The school welcomes children from all backgrounds and faith communities. If there are serious reasons, for example on religious grounds, why parents want their child to wear clothes that differ from the school uniform, the school will consider such requests sympathetically.

Monitoring and Review

The School monitors and reviews the uniform policy by:

- seeking the views of parents, to ensure that they agree with and support the policy;
- considering any requests from parents for individual children to have special dispensation with regard to School uniform;
- taking into consideration the views of pupils, including through the School Council.
